STIZK3993 ACADEMIC PROJECT 1

FYP1(01)

ASSESSOR

EVALUATION FORM

This assessment contributes **30%** of the total marks for Project 1.

Project ID _____

Project Title: _____

Student's Name: _____ Matric No: _____

Supervisor's Name: _____

01 - PROPOSAL (30%)

CLO/LOC	Attribute	Not Available (0)	Very Weak (1)	Weak (2)	Fair (3)	Good (4)	Very Good (5)	SCORE
CLO1 LOC2 Cognitive skills	Title	No Title	The title is misleading	The title not clear	The title is moderately clear and requires major amendment	The title is moderately clear and requires minor amendment	The title is concise and clearly defined	
	Introduction/ Project background	No Project background	The proposed project is unclear	The description is not clear and shallow. The description may not explain project concisely.	The description is adequate, however needs further clarification	The description is straightforward and generally easy to understand with a few exceptions.	The description is clear, concise and easy to understand.	
	Previous works	No previous works included	Included previous works but not related to the proposed title.	Included previous works, only few related to the proposed title.	Included previous works, without review	Reviewed and analyzed previous works, without indicating its strengths and weaknesses	Reviewed and analyzed previous works, indicating its strengths and weaknesses, related to the proposed title.	
	Problem Statement	No problem statement included	Demonstrates no understanding of the problem and consideration for the need of the proposed project	Demonstrates little understanding of the problem and the need for the proposed project.	Demonstrates a moderate understanding of the problem and need for the proposed project.	Demonstrated good understanding of the problem but lack in demonstrating the need for the proposed project.	Demonstrates a clear understanding of the problem and shows consideration for the need of the proposed project	
	Objective	No objective included	Objectives are presented, but NOT SMART (specific, measurable, achievable, relevant, time-bound)	Objectives fulfill only ONE SMART dimension	Objectives fulfill only 2-3 SMART dimensions	Objectives fulfill FOUR SMART dimensions	Objectives fulfill ALL SMART dimensions	
	Scope	No scope included	Scope is too broad	Scope requires major revision	Scope requires minor revision	Scope is defined without elaboration	Scope is completely defined	
	Project Significance	No project significance included	The project is not significant.	The project is significant but not addressing the stated problems.	The project is significant but partially addressing the stated problems.	The project is highly significant but not addressing the stated problems	The project is highly significant addressing to the stated problems.	

	Methodology	No methodology included	Activities and procedures are inappropriate	Activities and procedures are appropriate but incomplete	Activities and procedures are appropriate, complete but incomprehensive	Activities and procedures are appropriate, complete	Activities and procedures are well-stated, manageable, appropriate, and comprehensive.	
	Schedule	No timeline included	Schedule is poorly planned and incomplete	Schedule is poorly planned, complete	Schedule is presented but incomplete	Schedule is well planned and complete	Schedule is well planned, complete, well presented	
	References	No reference and citation included	References are not cited in text, format is incorrect.	Some references are cited and listed, format is incorrect.	Some references are cited and listed, format adhere to IEEE or APA style	All references are cited and listed, but format of references and citation not adhere to IEEE or APA style.	All references are cited and listed. Format of references and citation adhere to IEEE or APA style
