STIZK3993 ACADEMIC PROJECT I

FYP102

SUPERVISOR

EVALUATION FORM

This assessment contributes **70%** of the total marks for Project 1.

Project ID _____

Project Title: _____

Student's Name: _____ Matric No: _____

Supervisor's Name: _____

01 ASSIGNMENT 1 (PROPOSAL) (10%)

CLO/LOC	Attribute	Not Available (0)	Very Weak (1)	Weak (2)	Fair (3)	Good (4)	Very Good (5)	SCORE
CLO1 LOC 3C - Communication Skills (Verbal)	Clear delivery of ideas	Do not present	Not able to deliver ideas clearly and require significant improvement	Able to deliver ideas and require further improvement	Able to deliver ideas fairly clearly and require minor improvements	Able to deliver ideas clearly	Able to deliver ideas with great clarity	
	Confident delivery of ideas	Do not present	Not able to deliver ideas confidently	Able to deliver ideas with little confidence and require further improvements.	Able to deliver ideas fairly confidently. and require minor improvements	Able to deliver ideas confidently	Able to deliver ideas with great confidence	
	Understand and respond to questions	Do not present	Not able to understand and respond to a question	Able to understand and answer questions but not able to accurately answer the question	Able to understand and answer questions satisfactorily	Able to respond to questions well	Able to fully understand and respond to questions very well	
								/15
SUB-TOTAL (/15) X 10%								/10

02 ASSIGNMENT 2 (PROJECT DESIGN) (30%)

Attribute	Sub-attribute	Not Available (0)	Very Weak (1)	Weak (2)	Fair (3)	Good (4)	Very Good (5)	SCORE
CLO2 A. LOC2 Cognitive Skills	Functional Requirement	Not included	Functional requirements are incomplete and ambiguous	Functional requirements need major revision	Functional requirements need minor revision	Functional requirements are complete	Functional requirements are complete and clear	
	Non-functional Requirement	Not included	Non-functional requirements are incomplete and ambiguous	Non-functional requirements need major revision	Non-functional requirements need minor revision	Non-functional requirements are complete	Non-functional requirements are complete and clear	
	Project flow	Not included	Inappropriate diagram included	Appropriate diagram included, but incomplete. Eg: Flow-chart diagram or any suitable diagrams	Diagram is presented with major mistakes leading to lack of understanding of the project flow	Diagram is presented with minor mistakes leading to lack of understanding of the project flow	Include appropriate diagram and its description are presented correctly showing clear flow of the project.	
	Design diagrams	Not included	Inappropriate diagram included	Appropriate diagram included, but incomplete. Eg: UML diagrams, network layout, storyboard	Diagram is presented with major mistakes leading to lack of understanding of the project flow	Diagram is presented with minor mistakes leading to lack of understanding of the project flow	Include appropriate diagram and its description are presented correctly showing clear flow of the project.	
	Originality	100% plagiarism	The design includes minimal changes and lacks significant originality	The design shows slight originality with some unique elements	The design exhibits moderate originality with noticeable new features	The design is significantly original , introducing substantial innovation	The design is highly original & innovative	
								/25
SUB-TOTAL (/25 x 20)								/20

Attribute	Sub-attribute	Not available (0)	Very Weak (1)	Weak (2)	Fair (3)	Good (4)	Very Good (5)	SCORE
CLO2 B. LOC3e Numeracy skills	Design prioritisation	No evidence of applying numerical skills in requirement gathering in requirement prioritization	Minimal evidence of numerical skills applied in requirement prioritization	Some evidence of numerical skills in requirement gathering, with limited ability in requirement prioritization	Adequate numerical skills demonstrated in requirement gathering, with a fair ability in requirement prioritization	Strong numerical skills demonstrated in requirement gathering, with solid ability in requirement prioritization	Exceptional numerical skills in requirement gathering, excellent ability in specifying and prioritizing requirements	
	Logical Thinking and Analytical Skills	No evidence of applying logical thinking and analytical skills	The project does not encourage problem-solving or critical thinking	The project includes limited problem-solving but lacks depth	The project promotes problem-solving but with minimal complexity	The project encourages effective problem-solving and critical thinking	The project strongly fosters analytical thinking and complex problem-solving	
SUB-TOTAL								/10

03 – ASSIGNMENT 3 (PROJECT DEVELOPMENT) (30%)

Attribute	Sub-attribute	Not available (0)	Very Weak (1)	Weak (2)	Fair (3)	Good (4)	Very Good (5)	SCORE
CLO3 A. LOC3a Practical skills	Functionality	Do not present	None of the proposed functions is working	Less than 10% of the proposed functions is working	Only 10% of the proposed functions is functional	20% of the proposed functions is working	30% of the proposed functions is functional	
	System interaction	Do not present	No navigation	Hard to navigate	Able to navigate with major assistance	Able to navigate with minor assistance	Intuitive, able to navigate easily without assistance	
	Aesthetic	Do not present	No clear theme & interface elements (size, color, and placement of each element did not work together)	Theme & interface elements are not consistent	Themes and interface elements need major improvement	Themes & interface elements need minor improvement	Themes and interface elements are clear & consistent	
		Do not present	Too crowded and no appearance of a layout being designed.	Complicated layout arrangement with unnecessary features/elements.	Some layout are inflow, some are not	Simple layout but not up to professional look and feel	Clear layout, neat and professional	
								/20
SUB – TOTAL (/20 * 10)								/10

Attribute	Sub-attribute	Not available (0)	Very Weak (1)	Weak (2)	Fair (3)	Good (4)	Very Good (5)	SCORE
CLO3 B. LOC 3c Communication Skills (Verbal)	Clear delivery of ideas	Do not present	Not able to deliver ideas clearly	Able to deliver ideas and require major improvements	Able to deliver ideas and require minor improvements	Deliver ideas clearly	Deliver ideas clearly with good coherent	
	Confident delivery of ideas	Do not present	Not confident, only reading from slides	Confident but require major improvements	Confident but require minor improvements	Able to deliver ideas confidently	Very confident	
	Understand and respond to questions	Do not present	Do not respond to questions	Respond to questions wrongly	Respond to questions satisfactorily	Respond to questions correctly	Respond to questions excellently	
SUB – TOTAL (/15 * 10)								/5

Attribute	Sub-attribute	Not available (0)	Very Weak (1)	Weak (2)	Fair (3)	Good (4)	Very Good (5)	SCORE
CLO3 C. LOC3d Digital skills	Ability to use technologies	Not able to use digital technologies	Demonstrate minimal proficiency in utilizing digital technologies	Demonstrate basic competence in using digital technologies but struggles with efficiency	Demonstrate a good skill in using digital technologies, major improvement needed	Demonstrate a good skill in using digital technologies, minor improvement needed	Demonstrate a very good skills in using digital technologies	
SUB - TOTAL								/5

Attribute	Sub-attribute	Not available (0)	Very Weak (1)	Weak (2)	Fair (3)	Good (4)	Very Good (5)	SCORE
CLO3 D. LOC4a Personal skills	Adherence to Meeting	Do not meet Supervisor for the whole semester	Less than 5 meetings with Supervisor	6-7 meetings with Supervisor	8-9 meetings with Supervisor	10 times meetings with Supervisor	More than 10 meetings with Supervisor	
	Ethics	Practice inappropriate working culture (bad behaviour, not punctual, not efficient, not productive, unethical) at all times	Almost never practice good working culture (good attitude, punctual, efficient, productive, ethical)	Rarely practice good working culture (good attitude, punctual, efficient, productive, ethical)	Sometimes practice good working culture (good attitude, punctual, efficient, productive, ethical)	Practice good working culture (good attitude, punctual, efficient, productive, ethical) most of the times	Practice good working culture (good attitude, punctual, efficient, productive, ethical) at all times	
		No initiative to complete a task	Demonstrate almost no initiative in completing a task	Demonstrate limited initiative in completing a task	Demonstrate moderate initiative in completing a task	Demonstrate good initiative in completing a task	Demonstrate excellent initiative in completing a task	
		No effort to complete task	Almost no effort to complete task	Minimal effort to complete task	Sufficient effort to complete task	Good effort to complete task	Excellent effort to complete task	
								/20
SUB - TOTAL (/20*10)								/10

SUMMARY OF MARKS**to be keyed in into OBE system*

ITEM	MARKS
Assignment 1 (PROPOSAL) (10%)	
A. LOC3c – Communication Skills	/10
Assignment 2 (PROJECT DESIGN) (30%)	
A. LOC2 - Cognitive skills	/20
B. LOC3e - Numeracy	/10
Assignment 3 (Project Development) (30%)	
A. LOC3a – Practical skills	/10
B. LOC3c – Communication Skills	/5
C. LOC3d - Digital	/5
D. LOC4a – Personal skills	/10
TOTAL MARKS	/70
